## MESSAGE

*It is indeed a great pleasure to know that the HELP Society (Helping Everyone Live and Prosper Society) a registered NGO based in Haflong has been working for social upliftment particularly in the field of Education, youth empowerment, creating awareness on environmental issues and community development for the last few years.*

*I believe that the efforts put forth by this NGO for the development of the society as a whole with its various activities would surely show positive impact in the district sooner than later. That, as a part of its Annual flagship Programme Trivia Fest' 2026 (Fourth Edition) by the HELP Society is bringing out an Annual Magazine under the title "VISION'34" 2026 on the 21<sup>st</sup> May, 2026 which I believe will be highlighting its various activities undertaken by the Society in previous years. I hope this Magazine will inspire the youth and young generation and help others to join hands with the Society to work towards community building with HELP Society (NGO) or independently.*

*On this occasion, I extend my heartiest congratulation to all the members of HELP Society and wish for the grand success of the event TRIVIA Fest as well as for the Magazine "VISION' 34" 2026.*

Debolal Gorlosa

### **MESSAGE**

*I am truly delighted to know about the commendable efforts of HELP Society (Helping Everyone Live and Prosper Society), a registered NGO of Haflong, which has been consistently working for the welfare and progress of society through various developmental and awareness programmes. Over the years, HELP Society has played an important role in promoting education, encouraging youth participation, spreading environmental awareness, and undertaking several community-oriented initiatives across the district.*

*It is encouraging to learn that under its annual flagship programme, Trivia Fest 2026, the Society is bringing out its annual magazine, "VISION'34". Such a publication will not only reflect the journey, achievements, and activities of the organization but will also motivate the younger generation to become responsible citizens and contribute positively towards society.*

*I appreciate the dedication and sincere commitment shown by the members of HELP Society in creating opportunities for learning, creativity, leadership, and social awareness among the youths of our district. I am confident that the Society will continue to grow and inspire many more individuals through its noble mission and service to humanity.*

*I extend my warm greetings and best wishes to the entire team of HELP Society for the successful celebration of Trivia Fest 2026 and the publication of VISION'34 2026.*

*May the organization continue its inspiring journey of service and excellence in the years to come.*

## MESSAGE

*It gives me immense pleasure to know that HELP Society (Helping Everyone Live and Prosper Society) a registered NGO based in Haflong, is publishing Vision'34 Magazine on the occasion of Trivia Fest 2026 (Fourth Edition) on the 21st May, 2026. I extend my heartfelt appreciation to the entire team of HELP Society for their dedicated efforts towards education, skill development, youth empowerment, and environmental awareness in Dima Hasao.*

*In today's rapidly changing world, education and skill development are the strongest tools to empower young minds and build a brighter future. Equally important is our responsibility to protect and preserve the environment for the coming generations. Initiatives like Trivia Fest not only encourage creativity, leadership, and talent among youths but also inspire unity, social responsibility, and positive community participation.*

*I sincerely congratulate HELP Society for continuously working towards the welfare and development of society through such meaningful initiatives. I hope Vision'34 Magazine will motivate and inspire many young people to dream big, work hard, and contribute positively to society.*

*I wish Trivia Fest 2026 and the publication of Vision'34 Magazine a grand success and my best wishes to everyone associated with this noble endeavour.*

## MESSAGE

*It gives me immense pleasure to learn about the remarkable work being carried out by the HELP Society (Helping Everyone Live and Prosper Society), a registered NGO based in Haflong, towards the upliftment of society. Over the years, the organization has consistently contributed in the areas of education, youth empowerment, environmental awareness, and community welfare, creating a meaningful impact among the people.*

*I firmly believe that the dedicated efforts and noble initiatives undertaken by the Society will continue to bring positive change and inspire collective progress in the district. It is encouraging to know that, as part of its Annual Flagship Programme "Trivia Fest 2026" (4<sup>th</sup> Edition), the HELP Society is set to release its Annual Magazine titled "VISION 34" on 21<sup>st</sup> May, 2026. The publication will undoubtedly reflect the Society's achievements, activities, and contributions made over the years.*

*I hope this initiative will motivate and encourage the youth and young generation to actively participate in social service and community-building activities, either through the Society or independently for the betterment of society.*

*On this special occasion, I extend my heartfelt congratulations and best wishes to all members of the HELP Society for the grand success of the Trivia Fest 2026 and the publication of "VISION 34" Magazine.*

### MESSAGE

*The true strength of a society lies in the dreams, talents, and determination of its youth. Our district is blessed with immense potential in the fields of literature, education, sports, creativity, leadership, and social service. Every young mind carries the power to inspire change and build a brighter future for our community.*

*I encourage our youths to believe in their abilities, work with dedication, and never stop learning. Success is not achieved overnight; it is built through discipline, perseverance, and the courage to rise after every challenge. Whether through education, sportsmanship, artistic expression, or community leadership, each effort contributes to the progress and pride of our district.*

*I am pleased to see HELP Society NGO continuously working towards youth empowerment, education, social awareness, and community development. Through initiatives such as Trivia Fest 2026, young talents are being provided with meaningful platforms to showcase their abilities, exchange ideas, and inspire one another. Such initiatives play an important role in nurturing confidence, creativity, leadership, and unity among the younger generation.*

*The vision of "Vision' 34" reflects a commitment towards building an educated, progressive, skilled, and empowered society where youths become catalysts of positive transformation. By encouraging participation in academics, sports, culture, innovation, and social responsibility, we are collectively shaping a brighter future for our district and generations to come.*

*Let us continue to preserve our culture, values, and unity while embracing innovation and knowledge. Together, let us build a stronger, educated, and empowered society for generations to come.*

## MESSAGE

*from the*

## PRESIDENT

HELP Society

It is my pleasure to present the **2nd Edition** of **Vision' 34**, a reflection of HELP Society's commitment to community development, youth empowerment, and sustainable change.

Our journey has been guided by the belief that informed and engaged communities are the foundation of progress. Through our initiatives in education, environment, health, and social awareness—and our role as a District Nodal Agency—we continue to work with responsibility, transparency, and purpose.

Vision 34 documents our efforts, achievements, and aspirations. As we move towards 2034, our focus remains on empowering youth, strengthening communities, and promoting inclusive and sustainable development.

I extend my sincere gratitude to our partners, volunteers, supporters, and community members for their continued trust and cooperation. Together, let us continue to build a society where everyone has the opportunity to live with dignity and prosper.

# About HELP Society

[Helping Everyone Live and Prosper Society]

**Helping Everyone Live and Prosper Society** or **HELP Society** is a distinguished non-profit organization, officially registered under the Societies Registration Act XXI of 1860, and committed to inclusive development, social awareness, and sustainable progress.

Guided by the values of service, accountability, and collaboration, the organization works across education, environment, health, youth engagement, women empowerment, and community development.

HELP Society believes that lasting change begins with informed communities and empowered individuals. With a strong grassroots presence, the organization actively collaborates with government departments, educational institutions, civil society organizations, and local stakeholders to design and implement impactful programmes that respond to local needs while aligning with national development priorities.

The organization has been entrusted with the responsibility of serving as the District Nodal Agency under the Environment Education Programme (EEP), implemented by the Assam Science, Technology and Environment Council (ASTECC) under the Science & Technology Department, Government of Assam, and supported by the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India. In this role, HELP Society facilitates, coordinates, and monitors environment education initiatives across the district, ensuring effective outreach, capacity building, and measurable impact.

Through its mission-driven approach, HELP Society remains committed to empowering youth, promoting environmental responsibility, strengthening community well-being, and building a society where everyone has the opportunity to live with dignity and prosper.

# MISSION, VISION & VALUES

## OUR VISION

To build an inclusive, empowered, and sustainable society where every individual has access to opportunities, dignity, and a better quality of life.

## OUR MISSION

- To empower communities through education, awareness, and skill development
- To promote environmental sustainability and responsible practices
- To support health, well-being, and social development initiatives
- To encourage youth participation, leadership, and innovation
- To create sustainable livelihood opportunities and community growth

## OUR CORE VALUES

### INTEGRITY

We uphold honesty, transparency, and accountability in all our actions.

### SUSTAINABILITY

We promote environmentally responsible and long-term solutions.

### INCLUSIVITY

We believe in equal opportunities and active participation for all.

### COMPASSION

We work with empathy, care, and commitment towards communities.

### INNOVATION

We embrace creativity and new ideas to create impactful change.

### COLLABORATION

We believe in partnerships and collective efforts to maximise impact.

# About VISION' 34

VISION '34 represents HELP Society's long-term aspiration to grow from a grassroots initiative into a nationwide force for social transformation. Founded in the year 2024, HELP Society envisions the next ten years (2024–2034) as a decisive decade of structured growth, institutional strengthening, and expanding impact across India.

The central idea of VISION '34 is simple yet ambitious: by the year 2034, HELP Society aims to extend its reach to communities across the entire country. This vision is rooted in the belief that inclusive development, environmental responsibility, and social awareness must reach beyond geographical boundaries to create meaningful and lasting change.

VISION '34 is built on a phased and strategic approach. Beginning with strong grassroots work and district-level engagement, the organization seeks to gradually expand its programmes through state-level collaboration and national partnerships. Each phase focuses on capacity building, leadership development, and replication of proven models in education, environment, health, youth engagement, and women empowerment.

At the heart of VISION '34 lies the role of youth as catalysts of change. By nurturing informed, skilled, and socially responsible young leaders, HELP Society aims to create a sustainable network capable of driving impact at scale. Community participation, institutional collaboration, transparency, and accountability remain the guiding principles throughout this journey.

VISION '34 is more than a timeline—it is a commitment. A commitment to grow responsibly, to remain rooted in community needs, and to work consistently towards a future where HELP Society serves communities across India, ensuring that awareness leads to action and every individual has the opportunity to live with dignity and prosper.

# OUR MILESTONES

**2023**

## FOUNDATION

HELP Society was established with a vision to empower communities and create meaningful impact, with a strong commitment to inclusive, community-led development and sustainable social change.

**2024**

## DISTRICT NODAL AGENCY

Appointed as the District Nodal Agency under the Environment Education Programme (EEP) implemented by ASTEC and supported by MoEFCC.

**2023-∞**

## CAPACITY & LEADERSHIP

Conducted training programmes and workshops for students, volunteers, and educators, while strengthening resource development, coordination, and monitoring systems.

**2023**

## LAUNCH OF TRIVIA FEST™

Trivia Fest, a 3-day youth festival, was initially introduced by the President of HELP Society through Embrace Academy and is now organised by HELP Society as its flagship event.

**2023-∞**

## GRASSROOTS ACTION

Conducted awareness programmes, workshops, and community initiatives across education, environment, health, and social sectors.

**2034**

## VISION'34

HELP Society's long-term roadmap focused on expanding impact, strengthening community engagement, and building sustainable, youth-driven initiatives for the future.

“Every milestone reflects our journey towards creating meaningful and lasting impact.”

Recognition Ceremony – Swachhata Hi Seva 2024

Acknowledged by district administration, educational institutions, and partner organisations for effective grassroots coordination and programme implementation.

# OUR PARTNERS

## Government & Institutional Partners

## NGO & Programme Partners

HELP Society welcomes collaborations to create meaningful community impact together.

# OUR FOCUS AREAS

Empowering Communities. Creating Impact.

# EDUCATION

Education is not just a priority for us – it is the foundation of everything we do. Since the very beginning of HELP Society, we have believed that empowering young minds is the key to building a stronger, more responsible society. We recognise that the right knowledge, guidance, and opportunities can shape not only individual futures but the future of the community as a whole.

Through career counselling sessions, school outreach programmes, and awareness initiatives, we actively engage with students across the district—guiding them, inspiring them, and helping them make informed decisions. Our efforts, including mental health awareness camps, anti-drug campaigns, and various educational workshops, are designed not just to inform, but to build confidence, clarity, and a sense of direction among young individuals.

As the District Nodal Agency for the Environment Education Programme in Dima Hasao, we are deeply connected with schools and colleges across the district. By working closely with eco-clubs, we promote environmental awareness and encourage students to adopt sustainable and responsible practices in their daily lives.

Through our flagship annual educational event, Trivia Fest, we go beyond classrooms—encouraging curiosity, critical thinking, and healthy competition, while providing a platform for young talents to showcase their knowledge and skills.

We are not just educating—we are nurturing a generation that is aware, empowered, responsible, and ready to lead and contribute positively to society.

# ENVIRONMENT

Protecting the environment is essential for building a sustainable future, and at HELP Society, we are committed to promoting environmental responsibility across communities. Through initiatives such as environmental education, tree plantation drives, and sustainable practices, we work to raise awareness and encourage collective action towards conserving our natural resources.

Our efforts focus on engaging students, youth, and local communities through awareness programmes, workshops, and on-ground activities. As the District Nodal Agency for the Environment Education Programme in Dima Hasao, we collaborate closely with schools, colleges, and eco-clubs to promote eco-friendly practices and nurture a sense of responsibility towards the environment.

So far, we have reached over 250+ schools and colleges and successfully planted 6000+ trees, strengthening our commitment to a greener and more sustainable future. With active eco-club engagement across the district, we continue to expand our impact and encourage communities to adopt environmentally conscious practices.

Through these efforts, we aim to nurture individuals who not only understand the importance of sustainability but also actively contribute to protecting and preserving the environment for future generations.

# SKILL DEVELOPMENT

Skill development plays a vital role in building self-reliant individuals and stronger communities. At HELP Society, we focus on equipping people—especially youth and women—with practical skills and knowledge that can lead to employment, entrepreneurship, and sustainable livelihoods.

Through initiatives such as candle-making training cum entrepreneurship awareness programmes, soap-making workshops, and other skill-based sessions, we provide hands-on learning opportunities that help individuals build confidence and enhance their capabilities. These programmes are designed to bridge the gap between education and real-world application, enabling participants to explore and adapt to new opportunities.

We also promote an entrepreneurial mindset by guiding individuals on how to start and manage small ventures, encouraging financial independence and local economic growth. Our goal is not just to help people earn, but to empower them to grow, innovate, and lead within their communities.

Through these efforts, HELP Society continues to work towards building a skilled, confident, and self-reliant generation ready to contribute meaningfully to society.

# HEALTHCARE

Good health and awareness are essential for building a strong and resilient community. At HELP Society, we promote well-being by spreading the right information and encouraging healthier lifestyles.

Through health camps, awareness programmes, and community outreach, we address key issues such as mental health, substance abuse, hygiene, and overall well-being—helping people make informed choices and overcome stigma.

We have organised mental health awareness camps, anti-drug campaigns, blood donation drives, and other initiatives for the community. We have also conducted dengue awareness camps in collaboration with the National Centre for Vector Borne Disease Control (NCVBDC), Dima Hasao, and the Health Department, strengthening our focus on preventive healthcare.

In addition, we regularly organise blood donation camps, where our team members and volunteers actively donate blood—reflecting our commitment to saving lives and supporting the community. These initiatives not only provide immediate support but also encourage a culture of responsibility and compassion among individuals.

By continuously engaging with communities and stakeholders, we strive to make healthcare awareness more accessible and impactful. Through these efforts, HELP Society continues to build a community that is aware, responsible, and capable of taking care of its physical and mental well-being.

# WOMEN EMPOWERMENT

Empowering women is essential for building strong, inclusive, and progressive communities. At HELP Society, we are committed to creating opportunities that enable women to become confident, self-reliant, and active contributors to society.

Through various skill development programmes, training workshops, and entrepreneurship awareness initiatives, we support women in gaining practical knowledge and financial independence. Initiatives such as candle-making training programmes and other livelihood-oriented activities provide hands-on experience and open pathways for income generation.

We also focus on building confidence and awareness among women by encouraging participation, leadership, and decision-making within their communities. By creating a supportive and inclusive environment, we aim to help women realise their potential and take charge of their own growth.

Through these efforts, HELP Society strives to uplift women, strengthen families, and contribute to the overall development of society.

# LIVELIHOOD

Sustainable livelihood is key to improving the quality of life and building resilient communities. At HELP Society, we focus on creating opportunities that enable individuals and families to achieve economic stability and long-term self-reliance.

Through community development initiatives, skill-based training, and entrepreneurship support, we work to enhance income-generating opportunities, especially in rural and underserved areas. Our efforts are aimed at helping people utilise local resources, develop practical skills, and explore sustainable means of livelihood.

We also encourage small-scale entrepreneurship and self-employment by guiding individuals on how to start and manage their own ventures. By promoting financial independence and capacity building, we aim to strengthen local economies and reduce dependency.

Through these initiatives, HELP Society continues to empower communities to build secure livelihoods and move towards a more stable and prosperous future.

# DISASTER MANAGEMENT

Disaster preparedness and timely response are essential for protecting lives and building resilient communities. At HELP Society, we stand with people during times of crisis and work to create awareness about disaster risk and safety.

Through awareness programmes, training sessions, and community outreach, we educate people on basic safety measures, emergency preparedness, and how to respond effectively during both natural and man-made disasters. Our goal is to ensure that communities are not only aware but also ready to act when it matters most.

We have also stepped forward during emergencies, including supporting families affected by fire incidents where homes were gutted. In such situations, our team reaches the ground quickly, provides immediate relief, mobilises support, and stands with affected families in their difficult times.

By working closely with local authorities, institutions, and volunteers, we ensure better coordination and quicker response during emergencies. Through these continuous efforts, we aim to reduce risks and help communities recover stronger.

HELP Society remains committed to building communities that are prepared, resilient, and capable of facing challenges with strength and unity.

# CLEANLINESS DRIVES

Clean surroundings are important for a healthy and dignified life. At HELP Society, we regularly organise cleanliness drives with active participation from volunteers and the community.

Through these campaigns, we involve students, local residents, and youth in cleaning public spaces like roads, schools, and community areas. These activities not only improve the surroundings but also help people develop a sense of responsibility and ownership towards their environment.

In collaboration with the Haflong Municipal Board, we have carried out several cleanliness drives, where we also focused on making public spaces and dustbins more attractive and engaging, promoting cleanliness in a creative way.

We also spread awareness about waste management, hygiene, and the importance of keeping our surroundings clean, encouraging people to adopt simple habits in their daily lives.

By involving the community, especially young people, we aim to bring long-term change and inspire everyone to work together for a cleaner and healthier environment.

Through these efforts, HELP Society continues to move towards building cleaner, healthier, and more sustainable communities.

# ZUBEEN GARG

The Golden Voice of the Northeast (1972 -∞)

Zubeen Garg, popularly known as the "Heartthrob of Assam," Zubeen Garg (born Zubeen Borthakur) on 18 November 1972. A versatile singer, composer, lyricist, music director, actor, who redefined the cultural landscape of Northeast India and achieved national stardom through Bollywood.

## Musical Journey

- Entered the music scene in 1992 with Anamika, a landmark album that redefined modern Assamese music.
- Recorded 38,000 to 40,000+ songs across 40+ languages, including Hindi, Bengali, and several tribal dialects.
- Gained pan-India popularity with "Ya Ali" from the film Gangster (2006).
- A skilled multi-instrumentalist proficient in dhol, dotara, mandolin, and keyboard.

HELP Society dedicates **Page 18** to Zubeen Garg not only to celebrate his birthday, but to honour a life that proves how art can inspire awareness, identity, and change - values that strongly align with the spirit of **VISION '34**.

## Key Achievements

- National Film Award for Best Music Direction (Echoes of Silence, 2009)
- GIFA and Stardust Award recipient for playback singing
- Directed and starred in Assamese blockbusters Mission China and Kanchanjangha
- Awarded Honorary Doctor of Literature (D.Litt.) by the University of Science and Technology, Meghalaya (USTM)

## Beyond Music: The Voice of the People

Zubeen Garg is equally respected for his social conscience and fearless voice. He has consistently spoken on issues of:

- ♪ Social justice
- ♪ Cultural preservation
- ♪ Youth responsibility
- ♪ Human dignity

When music speaks the truth, it becomes the voice of the people.

**Disclaimer:** This page is published for editorial and non-commercial tribute purposes only; all images and references are used for informational and cultural appreciation, with no claim of endorsement or association.

# More of What We Do

## BLOOD DONATION CAMPS

At HELP Society, we organise blood donation camps to support those in need and promote a culture of compassion and community service. With active participation from our team members and volunteers, these drives help meet urgent medical needs while also raising awareness about the importance of voluntary blood donation.

Through these initiatives, we continue to encourage people to come forward, contribute, and be a part of saving lives.

## CELEBRATING FREEDOM & DEMOCRACY

At HELP Society, we celebrate Independence Day and Republic Day to honour the values of freedom, unity, and democracy, and remember the sacrifices of our leaders.

Through flag hoisting and unfurling ceremonies, awareness programmes, and community participation, we engage in meaningful celebrations that foster patriotism and inspire responsibility.

These celebrations aim to instil national pride among youth and encourage them to become responsible citizens.

## PROGRAMME PARTICIPATION

HELP Society actively participates in various programmes and events where we are invited by institutions, organisations, and government bodies. Through these engagements, our team represents the organisation and supports initiatives aligned with community development. Our participation includes awareness programmes, workshops, training sessions, and social initiatives, where we collaborate and share knowledge. Through active involvement, HELP Society continues to build strong partnerships and contribute positively.

## **STRONGER TOGETHER**

To celebrate our journey and strengthen our bond as a team, HELP Society marked its milestones through meaningful experiences in nature. On our 1st Foundation Day, we trekked to Tumjang Peak, building trust and unity. Continuing this tradition, we celebrated our 2nd Foundation Day with a trek to the Borail Mountain, further strengthening our team spirit.

These experiences bring us closer as a team and reflect our shared values of resilience, unity, and growth. They inspire us to continue growing together as one strong and united team.

## **DONATION DRIVES**

At HELP Society, we organise donation drives to support those in need and promote a spirit of compassion. Through these initiatives, we distribute food, clothes, and essential items to underprivileged individuals and families.

Our team and volunteers actively participate in collecting and distributing donations, ensuring that help reaches those who need it the most. These efforts bring immediate relief to many and make a meaningful difference in their lives.

## **COMPETITIONS & TALENT DEVELOPMENT**

At HELP Society, we believe that every individual has unique talents that deserve the right platform to grow and shine. Through various competitions and creative activities, we aim to nurture skills, build confidence, and encourage self-expression among students and youth.

We regularly organise art competitions, quizzes, and other creative events, providing participants with opportunities to showcase their abilities and explore their potential. These activities also help in promoting creativity and healthy competition.

## **DISTRICT NODAL AGENCY**

UNDER

**ENVIRONMENT EDUCATION PROGRAMME (EEP)**

AT

**ASSAM SCIENCE TECHNOLOGY AND ENVIRONMENT COUNCIL (ASTEC)**

**CLIMATE CHANGE DEPARTMENT, GOVT. OF ASSAM**

SUPPORTED BY

**MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE, GOVT. OF INDIA**

# ROLE, PURPOSE & FUNCTIONING

## District Nodal Agency (DNA)

Being designated as the District Nodal Agency (DNA) under the Environment Education Programme (EEP) is a significant responsibility entrusted to HELP Society. In the year 2024, HELP Society was officially designated as the District Nodal Agency, marking an important milestone in our journey.

This role places us at the forefront of promoting environmental awareness and sustainable practices across the district of Dima Hasao.

The programme, implemented through the Assam Science Technology and Environment Council (ASTEC), Climate Change Department, Government of Assam, and supported by the Ministry of Environment, Forest and Climate Change, Government of India, aims to build environmentally responsible citizens through education and action.

## Our Role as District Nodal Agency

As the District Nodal Agency, HELP Society acts as a key coordinating body, ensuring that the Environment Education Programme (EEP) is effectively implemented across schools and colleges in the district.

## Key Responsibilities

- To monitor and conduct district-level as well as eco-club level activities
- To plan and execute all district-level and eco-club level EEP activities involving children, youth, and community members
- To assist the State Nodal Agency in implementing Mission LiFE and other activities under EEP as required
- To coordinate programme implementation across educational institutions
- To strengthen and guide eco-clubs in schools and colleges
- To organise workshops, nature camps, competitions, awareness campaigns, and training programmes
- To facilitate communication between ASTEC and educational institutions
- To monitor activities and document outcomes and impact

# IMPLEMENTATION, ACTIVITIES & IMPACT

Under the Environment Education Programme, HELP Society has actively implemented a wide range of initiatives to promote environmental awareness and encourage sustainable practices across the district. Our efforts include conducting awareness sessions in schools and colleges, while strengthening eco-clubs to actively engage students in environmental activities.

We organise training programmes on solid waste management, demonstrate vermicomposting techniques, and rainwater harvesting, while promoting the principles of reduce, reuse, and recycle. In addition, we carry out plantation drives and green campaigns to encourage sustainable living. Educational engagement is further enhanced through competitions, exhibitions, eco-events, and field visits that provide hands-on learning experiences.

Through these initiatives, we have connected with over 250+ schools and colleges, engaging more than 2000+ students and 500+ teachers through workshops, nature camps, competitions, awareness campaigns, and training programmes. With an active eco-club network across the district, our efforts continue to build environmentally conscious individuals, promote sustainable lifestyles, strengthen community participation, and create long-term behavioural change.

# TRIVIA FEST

Trivia Fest™ is the flagship annual event of HELP Society (Helping Everyone Live and Prosper Society) and a prominent youth-centric initiative in Dima Hasao. Designed as a multi-dimensional platform, it brings together students, youth, and the wider community to celebrate knowledge, creativity, and talent. As a 3-day educational, cultural, literary, and sports festival, Trivia Fest™ goes beyond conventional competitions by promoting holistic development, active participation, and meaningful engagement among young individuals.

Over the years, Trivia Fest™ has grown into a well-recognised and eagerly awaited event, attracting participation from numerous schools and institutions across the district. It provides students with valuable opportunities to showcase their talents, build confidence, and gain recognition through a diverse range of activities, including quizzes, academic competitions, sports events, and cultural programmes. The inclusive nature of the fest ensures that every participant finds a platform to express their abilities and explore their potential.

A key highlight of the fest is the “Trivia Iconic Award” – a Talent Felicitation Programme, where achievers from the district at district, state, national, and international levels are honoured. This recognition not only celebrates excellence but also motivates other students to pursue their goals with determination and dedication.

Beyond competition, Trivia Fest™ plays an important role in fostering teamwork, leadership, and a spirit of healthy competition. It also strengthens the connection between educational institutions and the community, creating an environment that encourages collaboration and shared growth.

Notably, Trivia Fest™ has been officially trademarked, reflecting its growing identity, credibility, and long-term vision as a signature initiative of HELP Society. With each edition, the fest continues to expand its reach and impact, inspiring young minds and contributing to the overall development of the community.

FOLLOW HELP SOCIETY FOR UPDATES |

## TRIVIA FEST™

# GROWTH & IMPACT OF TRIVIA FEST

What started as a humble initiative has now evolved into a flagship fest, attracting participation from schools, institutions and youths across the region. With each edition, Trivia Fest continues to expand in scale, reach, and impact.

The event has successfully created a platform where students not only compete but also gain exposure, confidence, and recognition. It has become a symbol of youth empowerment in Dima Hasao, encouraging students to step forward and showcase their potential.

## Key Highlights

- Participation from multiple schools across the district
- Engagement of hundreds of students and youth
- Organisation of diverse competitions and activities
- Recognition through “Trivia Iconic Award” – A Talent Felicitation Programme
- Strong support and collaboration from institutions, and partners
- Promotion of confidence, leadership, and holistic development among youth

At its core, Trivia Fest™ is designed to engage, inspire, and empower youth by encouraging critical thinking, teamwork, confidence, leadership, and creative expression. Through a variety of activities such as quizzes, competitions, cultural performances, and sports, students get the opportunity to showcase their talents and grow with confidence.

# Media & Public Recognition

## OUR PRESENCE IN THE MEDIA

The work and initiatives of HELP Society have been recognised and featured across various media platforms. Through consistent efforts in community development, youth engagement, and social impact, our activities have gained attention and appreciation from media outlets. Media coverage not only highlights our initiatives but also helps us reach a wider audience, creating greater awareness about our work and the causes we stand for.

## HIGHLIGHTS OF COVERAGE

Our programmes and events—ranging from Trivia Fest, environmental initiatives, awareness campaigns, and community outreach activities—have been featured in print media, digital platforms, and local news channels. These recognitions reflect the impact, dedication, and credibility of HELP Society in working towards the betterment of society.

## CAREER COUNSELLING SEMINAR organised by HELPING EVERYONE LIVE AND PROSPER SOCIETY at Haflong

**INDRANIL DUTTA** and Prosper Society (HELP) in support of Career Counselling Cell, Haflong Govt. College has organised a Career Counselling Seminar at Haflong Govt. College, offering personalized guidance and resources for individuals at all career stages.

HELP Society is a nonprofit organization dedicated to empowering individuals and communities through education, advocacy, and support services. H.E.L.P. Society has been committed to making a positive impact on society by addressing critical issues and providing resources to those in need. With a commitment to fostering personal and professional growth, H.E.L.P. Society conducted the Career Counselling Seminar to provide invaluable resources and guidance to empower individuals as they navigate their career journeys. Students from diverse backgrounds and various schools come together to explore their potential and chart their career paths. The energy and enthusiasm in the room were palpable as our passionate speakers shared valuable insights and guidance to the students present. The Career Counselling Seminar was concluded by an Interactive Session, where the students got the chance to interact with the panelists present. At last, the students left the seminar feeling more confident and excited about the future. At the end of the seminar, Surojit Das President at H.E.L.P. Society said, "Our team is dedicated to providing comprehensive support and guidance to help individuals make informed decisions and achieve their career goals and promises to conduct Career Counselling Seminar every year."

## H.E.L.P. Society plants over 350 trees on World Environment Day in Haflong

### CHRONICLE NEWS SERVICE

**HAFLONG:** In a significant move towards environmental conservation, the Helping Everyone Live and Prosper (H.E.L.P.) Society, in collaboration with the Haflong Forest Department, marked World Environment Day on June 5 with a large-scale tree plantation drive and free sapling distribution. The initiative aimed to raise awareness about environmental sustainability and support reforestation efforts in the region. Over 350 trees were planted and distributed throughout Haflong, contributing significantly to the local ecosystem. The event, promoted under the hashtag #RestoringNature, saw enthusiastic participation from local residents, school children, NCC cadets, and volunteers. The drive began early in the morning at the "I Love Dima Hasao" area, a popular local spot known for its natural beauty. Volunteers planted a variety of native trees, including neem, banyan, peepal, and several other species known for their environmental benefits and resilience. H.E.L.P. Society President Surojit Das addressed the participants, emphasizing the critical role of trees in combating climate change and preserving biodiversity. "Today's event is not just about planting trees; it's about sowing the seeds of a sustainable future. Each tree we plant today will help restore the balance of our ecosystem and provide cleaner air and more stable soil," Das said. He also expressed his gratitude for the community's overwhelming support. "It is heartening to see such a large turnout for our tree plantation drive. The enthusiasm and dedication of the people of Haflong are truly inspiring. Together, we are making a tangible difference in our environment."

The H.E.L.P. Society, a prominent non-governmental organization dedicated to environmental and social causes, organized the event with meticulous planning. Volunteers distributed free saplings to the public, encouraging them to plant trees in their own neighborhoods to foster a sense of responsibility towards the local environment. The event also featured a session where experts discussed the benefits of trees and proper tree care techniques to ensure the saplings distributed would thrive and grow into mature trees, providing long-term environmental benefits. Social media buzzed with posts from the event, with participants sharing pictures and stories using the hashtag #RestoringNature. This digital engagement helped spread the message beyond Haflong, inspiring others to take similar actions in their communities. The tree plantation drive and sapling distribution on World Environment Day exemplify the power of collective action in addressing environmental issues. As part of the collaboration, H.E.L.P. Society will extend outreach support, mobilize volunteers, take part in events across Northeast India, and highlight its initiatives under the theme Peace, Progress, Prosperity. The organization has also shared its official logo for use in rally communications.

# HELP Society Joins as Partner for North East Integration Rally 2026

### IMPHAL

Helping Everyone Live and Prosper (HELP) Society has confirmed its partnership in the upcoming North East Integration Rally 2026, scheduled from January 4 to February 4, 2026. In a letter addressed to Biswadeep Gupta, Managing Trustee of KRC Foundation, HELP Society President Surojit Das expressed gratitude for the invitation and confirmed the organization's enthusiastic participation.

As part of the collaboration, HELP Society will extend outreach support, mobilize volunteers, take part in events across Northeast India, and highlight its initiatives under the theme Peace, Progress, Prosperity. The organization has also shared its official logo for use in rally communications.

**Quest!**  
There is a mathematical equation that can accurately determine whether a married couple will divorce with 90% accuracy.

Das assured that HELP Society would give its full cooperation to ensure the rally's success, describing

the partnership as an important step in advancing unity and development in the region. Helping Everyone Live and Prosper Society, known as HELP Society, is a registered non-profit dedicated to driving meaningful change in people's lives. Their work spans many areas—supporting communities, protecting the environment, promoting education, empowering women, strengthening livelihoods, improving healthcare, responding to disasters, and standing with those who are underserved. HELP was built on a simple belief: every person deserves the chance to live with dignity, opportunity, and hope. Guided by this principle, the society focuses on empowering communities, advancing sustainability, and promoting equality. Over the years, they have grown into an organization that not only responds to immediate needs but also works to create lasting impact for a better and more inclusive future. They believe real change begins with the community itself. That's why they engage people directly in identifying their needs and aspirations, making sure every initiative

reflects their reality. Their work is broad but connected, spanning education, health, livelihoods, and the environment, because progress in one area is tied to the others. Sustainability and resilience are at the heart of their approach. They help communities prepare for and recover from challenges like natural disasters or economic setbacks, while also creating pathways for long-term growth. They stand for gender equality, access to quality education, and essential services for those who are often left out, improving overall well-being in the process. Partnerships, continuous evaluation, and the dedication of volunteers drive their efforts. Together, these elements allow them to not just deliver programmes, but to foster lasting transformation and help communities move toward a stronger, brighter future. The organization will take the movement on climate change and integration to schools and colleges across Dima Hasao, engaging young people and encouraging them to participate in building a more united and sustainable future.

## Eco-Hackathon held in Haflong to mark National Science Day

OUR CORRESPONDENT

**HAFLONG, Feb 28:** To commemorate National Science Day, an Eco-Hackathon cum Exhibition was organized at the Cultural Institute Hall premises, Haflong, on Saturday under the Environment Education Programme, aiming to promote environmental awareness and innovative thinking among students and youth.

The programme was organized by the Helping Everyone Live and Prosper Society (HELP Society), the District Nodal Agency for Dima Hasao. The initiative was implemented by the Assam Science, Technology and Environment Council

under the Science and Technology Department, Government of Assam, with support from the Ministry of Environment, Forest and Climate Change, Government of India.

Students from 35 schools participated in the event, showcasing creative ideas and practical solutions to address environmental challenges. Participants presented models and concepts on waste management, plastic reduction, water conservation, biodiversity protection, and sustainable development.

The programme was graced by District Commissioner Munindra Nath Ngate, Surojeet Das, District Coordinator of the District Nodal Agency (DNA), Dima Hasao, and two teachers. The Eco-Hackathon provided a platform for young minds to critically analyze local environmental issues and propose workable solutions. Projects were evaluated by judges based on innovation, feasibility, and relevance to the district's needs.

Speakers highlighted the importance of involving youth in environmental protection and fostering scientific thinking at the grassroots level. They emphasized that such initiatives not only create awareness but also nurture a sense of responsibility towards nature and sustainable living.

## District Level Eco-Hackathon in Dima Hasao

**Tribal Voice News, Haflong, March 1:** The District Level Eco-Hackathon cum Exhibition was successfully held at the Cultural Institute Hall in Haflong under the Environment Education Programme.

The programme was organised by HELP Society, the District Nodal Agency for the Environment Education Programme in Dima Hasao. It was implemented by Assam Science, Technology and Environment Council under the Science and Technology Department, Government of Assam, with support from the Ministry of Environment, Forest and Climate Change, Government of India.

Altogether, 40 schools from across the district took part in the event. Each school was represented by two students and a teacher-in-charge. Participants displayed innovative models focusing on climate action, waste management, renewable energy, sustainability, and eco-friendly practices.

Deputy Commissioner of Dima Hasao, Munindra Nath Ngate, attended the programme and appreciated the students for their creativity and commitment towards environmental protection. He encouraged them to continue contributing to sustainable development.

Speaking at the event, Surojeet Das, District Coordinator of the Environment Education Programme and President of HELP Society, said the Eco-Hackathon is not just a competition but a platform to promote responsible thinking and innovation among students. He stressed the importance of strengthening Eco-Clubs and practical environmental education at the grassroots level.

All participating schools received certificates of participation. After evaluation by a panel of judges, Dibrari High School secured the first position, Kashipur ME School stood second, and Saraswati Vidya Mandir secured the third position.

## Young Innovators Shine at District Eco-Hackathon in Dima Hasao

INDRANIL DUTTA

**HAFLONG:** The District Level Eco-Hackathon cum Exhibition was successfully organised on the 28th February 2026 at the Cultural Institute Hall, Haflong under the Environment Education Programme (EEP). The programme was organised by HELP Society (Helping Everyone Live and Prosper Society), the District Nodal Agency (DNA) for Environment Education Programme (EEP) in Dima Hasao district, implemented by the Assam Science Technology and Environment Council (ASTECC), Science and Technology Department, Government of Assam, and supported by the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India.

A total of 40 schools from across Dima Hasao district participated in the exhibition. Each school was represented by two students and one teacher-in-charge, who showcased innovative models based on sustainability, climate action, waste management, renewable energy, and eco-friendly practices. The exhibition served as an important platform for students to demonstrate creativity, scientific thinking and practical environmental solutions.

The programme was attended by the District Commissioner of Dima Hasao, Munindra Nath Ngate, who appreciated the enthusiastic participation of students and commended their efforts in developing innovative environmental models. He encouraged the young innovators to continue working towards sustainable development and to contribute meaningfully to society.

Speaking on the occasion, Surojeet Das, District Coordinator of the Environment Education Programme (EEP) in Dima Hasao and President of HELP Society, highlighted the importance of environmental education at the grassroots level.

He stated that the Eco-Hackathon is not merely a competition but a platform to nurture innovation, responsibility, and sustainable thinking among students. He further emphasized that strengthening Eco-Clubs and encouraging practical environmental learning are essential for building a greener and more sustainable district.

All 40 participating schools were awarded participation certificates in recognition of their efforts. Following a thorough evaluation by the panel of judges based on innovation, feasibility, sustainability, and presentation, the top three schools were declared. Dibrari High School secured the first position, Kashipur ME School the second position, and Saraswati Vidya Mandir achieved the third position.

The event highlighted the growing environmental awareness among students in Dima Hasao and reinforced the need to integrate sustainability into mainstream education. The programme concluded with certificate distribution and a renewed commitment to strengthen environmental initiatives and Eco-Club activities across the district.

## Fire guts 13 Maibang homes; aid provided

BB Goswami | TN

**Silchar:** At least 13 houses were gutted in a devastating fire that broke out at Subhash Nagar in Maibang under Dima Hasao district on Tuesday, officials said.

Fire tenders from the Maibang sub-division were rushed to the spot, but firefighters faced considerable difficulty in bringing the blaze under control due to its intensity. No casualties were reported so far, though several families were rendered homeless. The cause of the fire is yet to be ascertained.

Officials said a damage assessment is underway and an investigation has been initiated to determine the exact cause of the incident. Preliminary estimates suggest that 13 houses were completely destroyed, affecting around 15 families.

The chairman and vice chairman of the Maibang Municipal Board visited the affected locality and interacted with the affected families. As immediate relief, essential items were distributed. HELP Society, along with the 26 Assam Rifles, distributed relief materials.

# KEY DISCUSSION POINTS

**01**

## COMMUNITY-CENTERED DEVELOPMENT

- Understanding local needs and challenges
- Ensuring active participation of communities
- Building ownership and long-term sustainability

**02**

## EDUCATION & YOUTH EMPOWERMENT

- Improving access to quality education
- Encouraging skill-based learning
- Promoting leadership and youth engagement

**03**

## ENVIRONMENTAL SUSTAINABILITY

- Promoting eco-friendly practices
- Awareness on climate change and conservation
- Waste management, plantation, and sustainability initiatives

**04**

## HEALTH & SOCIAL AWARENESS

- Strengthening healthcare awareness
- Addressing mental health and well-being
- Conducting awareness campaigns and outreach programmes

**05**

## WOMEN EMPOWERMENT

- Promoting gender equality
- Supporting women-led initiatives
- Enhancing skills and livelihood opportunities

## 06

### SKILL DEVELOPMENT & LIVELIHOOD

- Enhancing employability skills
- Supporting entrepreneurship
- Creating sustainable livelihood opportunities

## 07

### COLLABORATION & PARTNERSHIPS

- Strengthening partnerships with institutions and organisations
- Leveraging shared resources and expertise
- Driving collective impact

## 08

### FUTURE VISION & INNOVATION

- Expanding reach and scalability
- Adopting innovative approaches
- Strengthening long-term impact strategies

# 2034

### VISION'34

*Towards sustainable,  
inclusive growth*

*These discussion points guide our actions and shape our path towards sustainable and inclusive development.*

# VISION' 34

## Strategic Roadmap

### PHASE 1: BUILD (2024–2026)

*Laying a Strong Foundation*

- Strengthen HELP Society's identity across Dima Hasao
- Deepen engagement with schools, colleges, and eco-clubs
- Expand flagship initiatives like Trivia Fest into a district-wide movement
- Build a committed and structured volunteer network
- Establish HELP Society as a trusted and active community organisation

### PHASE 2: SCALE (2026–2029)

*Expanding Reach & Influence*

- Take programmes beyond Dima Hasao to other districts
- Introduce impactful initiatives in skill development, livelihood, and youth leadership
- Build strong collaborations with government bodies, NGOs, and institutions
- Organise larger events, campaigns, and district/state-level programmes
- Strengthen HELP Society's media presence and recognition

### PHASE 3: LEAD (2029–2034)

*Creating Sustainable Impact*

- Establish HELP Society as a leading youth-driven NGO in Northeast India
- Develop long-term, sustainable community programmes
- Create model projects in education, environment, and empowerment
- Build a strong ecosystem of volunteers, partners, and changemakers
- Become a platform that nurtures future leaders and social innovators

*"We are not just planning the future—we are building it, step by step."*

# COLLABORATE WITH US

## PROPOSED COLLABORATION OPPORTUNITIES

- Partner with HELP Society on education, environment, and social initiatives
- Collaborate on awareness programmes, workshops, and community outreach
- Co-host events like Trivia Fest™ and youth engagement activities
- Support skill development and livelihood initiatives
- Contribute expertise, resources, or mentorship for greater impact

## WAYS TO COLLABORATE

- Partner for projects, events, and campaigns
- Support through funding, resources, or expertise
- Co-organise programmes and initiatives
- Provide mentorship and technical guidance

## WHAT WE AIM TOGETHER

- To create sustainable and scalable impact
- To empower communities and individuals
- To promote awareness and positive change

# ACKNOWLEDGEMENT

We extend our heartfelt gratitude to everyone who has supported HELP Society in our journey. From the very beginning, your encouragement, trust, and belief in our vision have been the foundation of everything we have achieved. What started as a small initiative driven by passion and purpose has grown into a meaningful movement—made possible only because of your constant support and faith in our mission.

We sincerely thank our partners, volunteers, supporters, institutions, and well-wishers for standing with us at every step. Your continued guidance, collaboration, and contributions have enabled us to reach communities, create opportunities, and bring positive change where it is needed the most. Each initiative we undertake carries your support within it, making our work stronger and more impactful.

We are especially grateful to those who have dedicated their time, effort, and resources selflessly. Whether it is through active participation in programmes, volunteering on the ground, offering valuable insights, or simply spreading awareness—every contribution has played a vital role in shaping our journey and strengthening our impact.

We also extend our appreciation to all the individuals and organisations who have trusted us, supported our initiatives, and believed in our ability to make a difference. Your confidence in us continues to inspire our team to push boundaries, take new initiatives, and work with greater commitment and responsibility.

Your belief in our mission motivates us to strive harder, dream bigger, and serve better. As we move forward, we carry this support with deep gratitude and a renewed sense of purpose. We remain committed to building stronger communities, creating sustainable impact, and continuing this journey of service with dedication and integrity.

Together, we are not just creating change—we are building a future filled with hope, opportunity, and progress for all.

# THANKING YOU

With Gratitude

We thank you for taking the time to learn about our work and being a part of our journey. Your interest and support mean a great deal to us.

Together, we can continue to create meaningful change and build a better future for our communities.
